V. SCOPE OF WORK

**WASHTENAW COUNTY
REQUEST FOR PROPOSALS
LOCAL ECONOMY GRANT PROGRAM**

The Washtenaw County Board of Commissioners has identified building our local economy as a high priority for public policy and community impact. Local economic development goals include local business expansion and job creation; an economy with less reliance on larger, non-local corporations for job formation; and an increase in local wealth where local spending on products and services flows to local businesses rather than flowing out of the region to national and international corporations.

To foster local economy growth the County has allocated \$90,000 in funding for grants to eligible entities to assist in delivering products, services and research that promotes the growth and development of our local economy.

The County is interested in receiving proposals for the following products, services and research:

- **Accelerating community capital investment** and the development of local capital investment vehicles.
- **Increase purchasing of local products and services** through local product suppliers and buyer matchmaking, web-based portals and other means.
- **Identifying growth opportunities in local food manufacturing, packaging and distribution** through research and preparation of business plans.
- **Local food manufacturing, packaging and distribution start-up and expansion projects.**
- **Establishing worker-owned cooperatives and other business models** to support small business growth and/or provide higher paying jobs for local workers.
- **Agricultural-based tourism** to attract spending to our area and to create jobs; and
- **Other projects that help grow economic sectors that are underrepresented in our region** and which have a high job formation potential.

Grants are intended to provide one-time funding for research, product or service costs and not ongoing operational costs.

Applicants must be a not-for-profit entity based in or has a presence in Washtenaw County and that does not already receive an annual allocation of funding from the County.
