SPECIAL EDUCATION MILLAGE PROPOSAL

This proposal requests additional millage to permit the continued levy by the intermediate school district of the maximum mills for special education previously approved by the electors and to increase the total rate to help cover the costs for services to students with disabilities.

Shall the current charter limitation on the annual property tax rate for the education of persons with disabilities in Washtenaw Intermediate School District, Michigan, be increased by 1 mill (\$1.00 on each \$1,000.00 of taxable valuation), for a period of seven (7) years, 2004 through 2010, inclusive (this increase will allow the intermediate school district to levy the maximum rate of 3.50 mills previously approved by the electors which has been reduced as required by the Headlee Amendment to the Michigan Constitution of 1963 and to increase the rate by .435 mill for a total authorized levy of 3.935 mills) (\$3.935 on each \$1,000.00 of taxable valuation); the estimate of the revenue the intermediate school district will collect if the millage is approved and levied in 2004 is approximately \$12,500,000 from local property taxes authorized herein?
